Small Group Questions:

Thinking about this week's teaching, was there a particular point, verse, or comment that caught your attention, challenged you, or raised a question?

Discuss with your group about a time where you experienced division in a church body. (Use discretion if people involved in the disunity would be hurt).

Explain the statement, "The goal is unity, not uniformity." What do you see in Scripture that makes it clear that God never intended for the church to reflect a rigid uniformity?

Since our church has different "preachers" on Sunday mornings, how can we protect ourselves from developing unhealthy patronage?

When you examine yourself, who are what are you fixing your eyes on today? (things; circumstances; yourself; others; or Jesus-Heb. 12:1-2)?

How does remembering who we are in Jesus Christ restore our unity with each other?
